We would like to express our sincere appreciation for Feng Sheng service to Tarkus as one of our long term partner. Over the years, your team has rendered outstanding delivery with quality workmanship.

This is to acknowledge the professional and helpful service rendered by Feng Sheng to our project located at One Fullerton Road, #02-03B/04 for PS CAFÉ.

Feng Sheng' professionalism, proactive service and site management were among the key criteria to the successful completion of the project.

The level of details and accountability the team has demonstrated in this project was commendable, and Feng Sheng have again proven to be adept in resolving difficult site issues/constrains, and integrating design changes that arises over construction development.
